## From past to present...

Pereja Advanced Chemical Industry Inc., known for being the first eau de cologne brand has its roots in the late Ottoman period. The company is currently one of the leading cosmetics companies that manufactures personal care, fragrance, cosmetic and hygiene goods with international standards. Our products are harmless to the human health and the environment. Our integrated factory is built on 96.000 m2 land area of which 20.000 m2 is currently enclosed, in Edirne Organized Industrial Zone. After having manufactured in Istanbul for many years, the company has moved the manufacturing units to the full integrated and modern site in Edirne.

The factory is now extending the production units in an additional 14.000 m2 during 2018. By next year, Pereja will have been operating in 34.000 m2 enclosed facility. Our production site is equipped with advance technological production units, warehousing, and quality control systems.

Our manufacture lines varies in different cosmetic products. Liquid personal care production and filling lines, alcohol based cosmetic products lines are fully automated. The new automated bar soap line has just started to produce. The new aerosol filling line will be in production very soon. The machinery line constructions are currently in progress.

Not only our company has produced the first Eau de Cologne in Turkey, also Pereja is the first liquid soap manufacturer in Turkey with well known Sandy brand

Our company invests considerably amounts of budgets for research and development studies. R&D team consists of well trained and experienced chemical engineers. Following the technology and trends in cosmetics our team does new researches for innovative products.

Pereja Advanced Chemical Industry Inc., which has a wide range of products such as cologne, liquid soap, perfume, shampoo, baby care products, and men care products, appeals to consumers from all ages and all walks of life.

## EXPORT

Being one of the leading cosmetics manufacturer, Pereja has currently been exporting to more than 83 countries. More than 50% of its export is for European countries. With regular attendance to international fairs, B2B activities and networking studies, our company extends the export capacity to a higher level in Africa, Middle East and Asia

Pereja Company is the first Turkish company which attended as an exhibitor for Cosmoprof Bologna. Pereja has been the first company to represent Turkish Cosmetics in international arena. Currently our company has been attending to all leading international exhibitions worldwide.

## LEADING PRIVATE LABEL MANUFACTURER

Having the biggest capacity in alcohol based cosmetics products, Pereja has been supplying for the most of private label brands in Turkey. With the fully automated integrated production facility, Pereja is capable of responding all the needs of its business partners effectively in very short time frame.

For over hundred years' experience and reputation our company is one of the most favourite suppliers for private label projects. We currently offer effective solutions to our business partners both in Turkey and abroad. Most of Turkey's multi chain stored retail companies such as supermarkets and home textile brands choose our company to have their products manufactured.

Eau De Parfum 100ml

2'li HEDİYE SETİ

Verdure nin siyah renkli ambalajıyla anlatıldığı bu özel çeşidi, kendisini gecelerin adamı olarak hisseden, kokusuyla bulunduğu ortama imza bırakmak isteyenlerin kokusu. Son derece güçlü bir açılışı olan koku üst notalarında zencefilin baharatı kokusu ve yeşil dinamik notalarla başlıyor. Orta notalarda paçulunun topraksı ve tatlı karakteri esmer şekerin de ağırlığıyla daha da güçleniyor. Kokunun alt bölümünde ise bir erkek parfümüne imza karakterini verebilecek notalar olarak deri, odunsu notlar ve sedir ağacı yanında yine tatlı ve eğlenceli cashmeran ve vanilya notaları ile yapıyor. Verdure Night Crawler parti ve davetler için yayılımı güçlü ve kalıcı bir koku. Bir kez seçtiğinizde vazgeçemeyeceksiniz.

## SUNSET SAFARI

Deodorant Sprey  
150ml

Eau De Parfum 100ml

2'li HEDİYE SETİ

Verdure'nin kahverengi ambalajı ile temsil edildiği Sunset Safari, günbatımında çıkılan bir safari gezisinden esinlenerek tasarlandı. Kızgın kumlarda vanilyanın sarı sıcak karakteriyle sembolize ediliyor. Orta notalardaki baharatlı akorlar kokunun ana gövdesini oluştururken parfüme egzotik karakterini veriyor. Gün batımının kehribar kıvılcı rengi amber ile alt notalarda yoğun olarak hissedilirken kokunun finali tonka fasulyesinin çikolatımsı tatlı karakteri ile gerçekleşiyor. Maceraperest ruhlu olan kişiler ve farklı kokulardan hoşlananlara özellikle tavsiye ederiz.

## NIGHT CRAWLER

Eau De Parfum 100ml

Deodorant Sprey  
150ml

2'li HEDİYE SETİ

Verdure'nin yeşil ambalajı ile temsil edildiği Secret Jungle, saklı bir orman köşesinden esinlenerek tasarlandı. Doğanın kuytu ve el değmemiş bir ormanın hikaye edildiği bu koku, bergamot greylift ve nane notalarının taptaze ve temiz karakterleri ile açılışı yapıyor. Ortanotalarda hissedilen deniz ve çay notaları kokunun yeşil mavi tonlarındaki gövdesini oluştururken bu bölümde bu saklı ormandaki minik tuz gölü sembolize ediyor. Parfümün duru ve sakin karakterli rafine hali, Secret Jungle 'in finaliinde daha belirgin hissediliyor. Kokunun adına yakışır şekilde odunsu notalar, sedir ağacı, kumarin ve orman kokusunun dingin karakteri ile yapıyor. Gün boyu temiz ve ferahlık hissi sevenler için ideal bir koku olarak tavsiye ederiz.
